

Class Participation Rubric Exercise

A notional class participation video has been created using a group of fictional students. The video shows 5 students listening to a lecture, responding to in-class polls, and working in a group. Use the participation in the face-to-face session rubric (from the syllabus) to grade the fictional students.

F2F Session Participation ✎ 🔍 🗑					
Criteria	Ratings				Pts
Participation	Excellent participation throughout entire session with meaningful contribution 3.0 pts	Some participation 2.0 pts	Minimal interaction 1.0 pts	Did not attend 0.0 pts	3.0 pts
					Total Points: 3.0

Student	3 Excellent Participation	2 Some Participation	1 Minimal Interaction	0 Did Not Attend
